Discover the Secrets of Personal Branding. Today only, get this Personal Branding bestseller for just \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device. Hi, my name is Mark and I am going to reveal to you my proven, step-by-step method of Personal Branding. In this book, I am going to outline many of the methods and secrets that I've used to create a successful personal brand. Have you ever used Google to look yourself up? Go ahead and take a moment to enter your name into the search engine. I'll wait. Are you back? Great! What pops up first? Do you even show up at all? What does the world have to say about you? What do your social networks have to say to anyone else who might Google you? For a lot of us the result is an uncontrolled mess of descriptors and identifiers that lacks the necessary cohesion to arrest an audience. Others of us find that we are invisible. This is just one example I use to convey to you the necessity of personal branding. It might seem daunting. It may seem downright terrifying. But I know that if you are willing to trust yourself to me, I can lead you on your journey to reinventing your personal identity and transforming it into a strong and memorable personal brand. Grady Harp I have never thought of associating branding with an individual, after I read this book I realized how important branding is to everyone. This book shows that personal branding could help in every aspect of the career, to win a job, to get your boss's approval, to seal a deal... there are case studies in this book to prove all these. The author also introduces useful offline and online tools for branding yourself. I particularly like how the online tools were introduced in detail. For non tech-savvy guys like me, having a guide to creating a blog, managing the server issues, using LinkedIn and all sorts of technical matters surely saves lots of time.

Moore Ronson Mark Cijo paints a good picture for you on how to market yourself, how to get your message out there, how to gain the accolades that you deserve.

William D. Curnutt Pastor Dan My favorite part of this book is when the author highlights four successful brands and shows how you can apply the techniques of their success to your own personal branding. I hadn't thought so deeply about how to an analytical approach to my self presentation online, and I loved both the information and the advice on how to track my progress.
